'Sweet Poison of Pain' is a new release from a new young singer, LUIZELLA JOSÉ. Surprisingly, Luizella hails from Switzerland. I say "surprisingly" because the sound on the record is very American, very Urban, and very contemporary. Without wishing to sound stereotypical, not at all what you'd expect from Switzerland!

It seems that Luizella is 19 and was a star of "Deutschland sucht den Superstar" (the German version of American Idol) ... so there you go. 'Sweet Poison of Pain' is good to download now.
